NEW TORK, 7; ST. LOUIS, 3-PIRST GAME. The first game at the Polo grounds yesterday was a pronounced triumph for left-handed Seymour, the boy pitcher of Albany. Cy had splendid control, giving but one base on balls, and his speed was of the cannon-ball variety. He received beautiful support, especially from pitched good ball. Only six hits were made by Yorks, but four of them were for more than one base and were lined out at the right time. The game was played in the remarkably short time of one hour and thirty-one minutes, which was a delightful change from the usually longdrawn-out, tiresome contests of the past three

drawn-out, thresome contests of the past three weeks.

In the second inning the visitors scored twice on Connor's single and a four-barger to left by Cross, which was misjudged by Connaughton. The New Yorks took the lead in the last half of the third inning. After connaughton had retired on strikes. Wilson was hit by a pitched ball, Seymour singled, and Parke scored on a hase hit by Beckley. Then Van Haltren shot a three-barger to right centre, scoring Seymour singled, and Parke scored on a hase hit by Beckley. Roger Connor opened the fourth with a two-barger to left and counted on Parroti's single. Jigs moved to second on Meyers's sacrifice and was left. Seymour struck out two men in the list half Joyce's men increased their score. Meyers murifed Beckley's fly and Jake was forced by Van. Tiernan's grounder bounded away from Sullivan, Van scoring and Miko sprinting to third. Joyce's two-barger brought in the silent man, and Glesson hit to Connor for an out, Joyce being caught at the rubber on the same play.

Von der Ahe's men were even easier in the second came tran in the first. Their fielding was positively painful, and it is a wonder that Pitcher Kissinger didn't go insane from constant wornment over his bungling support. The New Yorks backed up Mike Sullivan in rather ragged siyle, too, and might have lost had their opponents displayed any signs of life it was the opinion of the majority of the fatigued spectators when the game was at an end that two games in one afternoon, with such poor exponents of ball blaying as the visitors, are tiresome in the extreme.

Beckley opened for New York with a three-bagger, and scored on Tiernan's force of Van Haltren, who walked to first on balls. In the second, with one out, Dowd fumbled Zearfoss on third with a wild throw, and the latter came in on Beckley's double, a ground ball that either Dowd or Connors should have eaten. Van's out sent Rig Mike across the plate, and Parrott hauled in a hard one from Tiernan.

St. Louis not two runs in the second. Cross opened with a base on balls and was stopped at second, although Gleason muffed McFariand's fig. K. course was the only stake event of the day, and was won by Walter Rollins's Deerslaver, the favorite, Golderest, finishing fourth. The feature of the day, by all odds, was the sweepstates for two-year-old fillies, in which Sunny Slope, ridden by Taral, beat Nana H. with Hamilton up. It was only through Taral's tricky manipulation of Sunny Slope that the victory was achieved. Hamilton was furious and claimed a foul, but it was not allowed. Halfling in the third race and Harry Reed in the fifth gare shocking exhibitions. The former, while not the favorite, nor yet second choice in the betting, was well played on the strength of his victory in the Turf Handicap on Tuesday, while Harry Reed, winner of three straight races, was held at odds on. Halfling was never prominent and Harry Reed atopped to nothing before three-quarters of a mile had been covered.

him to be at his best yesterday after the ferocions gruelling he received on Wednesday in the

Reapers Stakes. However, the talent thought he could win and took 7 to 5 against him. Deerslayer, Voiley, and Southe were about equally held at 50 to 1. The outsider was Song and Dance at 12 to 1. The gelding is only a shadow of his former self, and after making the running for a while he collapsed, leaving Goldcrest to take command of affairs. Hamilton tried to steal away, but the others would not permit him. Doggett had been trailing with Deerslayer, and when Volley and Souffie challenged the leader at the bead of the stretch he rushed the son of Midlothian through on the outside. Clayton was to have had the mount, but he could not do the weight.

The best race of the day was that for two-year-olds, in which Sunny Slope, Divide, Nana H., Inspirer, and Miss Prim men. Sunny Slope and Divide are stake winners, and Nana H is highly thought of by the taient. In the speculation Sunny Slope was favorite at 11 to 1, with 134 to 1 offered against Nana H, and 16 to 5 Divide. Inspirer made the running to the stretch, with Sunny Slope second and Nana H, third. Hamilton made his run win the latter half way home and elected to go ruiside Sunny Slope. Taral saw him coming and carried the second choice out of her course for probably fifty pards or so. When within a hundred feet of the wire Taral straightened the favorite out, at right down, and, riding a masterly finish, managed to win by a head. But for his interference Nana H, would have won. Inspirer was only a fair third. Hamilton entered a claim of four riding against Taral, but it was not allowed, and the horses were placed as they finished and the horses were placed as they finished on the strength of the property of the part of the wire third. Hamilton of building course. Chie beat Cleophus at five furiougy afew days ago, but the talent thought Bryer's hig fifty would take the little one into camp with the distance lengthened out to the Futurity course. Cleophus was favorite when they met yesterday. For five furiougy Coic held the right adversary secure, and Simms was driving hard to keep up. The odd furioug told, though, and Chie was overtaken in the final hundred yards and beaten a length. Trayant, a most consistent performer, was third.

Salvable, Harlet, and Karma carried the money in the second event, a dash at six furiough for three-year-olds. Dolando out out a fast clip to the stretch, where Karma took command of affairs. She appeared to be winning easily, when Dogoeth brought the son of Salvato finally beat the filly a neck for second money. Keefe was worse than useless on the geiding's

Harry Reed had won two races at seven fur-longs at the Hay, and the talent figured that he could run the extra furiong. It seemed reason-able to expect a horse of his great turn of speed to go a mire at a winning gant. Irish Reel was second choice at 3 to h. Irish Reel led for five furiones, with Harry Reed and Sir Francis close up. Reed was beaten on the appearance, and Sir Francis, moving to the front, made a show of irish Reel in the homestrate, winning hands down by four lengths.
